
ELECTION 2024

There are a total of four Directors standing for election in the upcoming Annual Shareholder Meeting. These openings are the result of one retirement due to term limitations (Stuart Smith) and the expiration of three-year terms for current Directors Grant Hanson, Rick Johnson and Scott Wittenberg.

We are pleased to announce that the Nominating Committee has recommended the following new candidate for the Board:

Tim Kerr - Lake resident residing in the east arm of the lake. (3 year term)

The Board of Directors is also presenting the following returning board members for election:

Grant Hanson – Current Board Member (3 year term)

Rick Johnson – Current Board Member (3 year term)

Scott Wittenberg - Current Board Member (3 year term)

The Board of Directors enthusiastically supports the election of these candidates who bring a **great blend of experience, needed skills, and perspectives to the Board**. All of the candidates have extensive public service experience and have expressed a desire to serve the best interests of all shareholders and work toward creating a sense of harmony as they seek the very best for our lake. The slate maintains our goal of balanced geographical representation.

The Nominating Committee included two shareholder members as well as Vice President, Doug Woodcock, Secretary, Amy Gaddis and Board Member Stuart Smith. The shareholders at large on the Nominating Committee are Don Burdick and Judy Westwood.

The Committee was extremely impressed with the talented field of candidates who came forward to serve the lake community.

The 2024 Annual Shareholder Meeting will be held Monday May 13th at 7:00 p.m. at the Lake Oswego United Methodist Church, 1855 Southshore Blvd, Lake Oswego OR 97034.

We will briefly review our 2023 operations and financial year and then focus on the forward looking plans we have for the coming year and beyond. The final part of the meeting will be the election of Board of Directors.

After conclusion of the elections, the ballots will be collected and sealed for counting by our independent auditors. The final results will be available by June 5th. Results will be posted on our website and made available by email notification.

Grant Hanson

I have had the privilege of serving for the past six years on the Lake Oswego Corporation board. I currently chair the Safety Committee and I am a member of the Events and Litigation Committees. As lakefront residents, my family and I are active users of the lake and are witness to its daily caretaking by the LOC staff. We all realize and appreciate what a wonderful resource our lake is. I look forward to working with the community and my fellow LOC board members to continue the tradition of effective and committed oversight of our lake.

Rick Johnson

Our family has lived in Lake Oswego since 1994, and we enjoyed the Lake Grove swim park until we moved to the Lake in 2007. We have 3 boys who have grown up in this community, no all in their twenties. We participate in virtually all activities/sport the lake provides, both motorized and not, which provides perspective on different shareholder priorities. As a Board Member, I see first hand how much work is involved in keeping the Lake in the condition we enjoy, but so easily take for granted. With a degree in Geology, an MBA in Finance, and having founded and run a company, I am committed to serving shareholder interests.

Tim Kerr

My family and I have been Lake Oswego residents for the past 22 years and have lived on the Lake since 2022 as the second generation at our current address. We have two grown daughters now in college, and we are adjusting to the empty-nest lifestyle. I have been a partner in a regional construction company for 37 years. My experience in construction, development, and real estate will help bring a unique perspective to the board and the challenges it faces in the future. We are avid boaters, tubers, paddle boarders, and love what lake living represents. I am honored to serve on the board, and to help Lake Oswego Corporation as we continue to navigate our future.

Scott Wittenberg

I am proud to be a native Oregonian, born and raised in the Willamette Valley, my wife and I have lived on the main lake since 2009. My background in the technology industry brings a unique perspective to the board and the Lake Corporation's processes and procedures. Preserving and protecting our beautiful lake's value and quality is something we can all agree is essential. In addition, I am the chair of the board's events committee. We are committed to providing family friendly, safe, and entertaining events for our shareholders. I look forward to working with our lake community to continue to preserve the lake's character and maintain our valued quality of life.
