LAKE OSWEGO CORPORATION

LIGHTING PLAN ACKNOWLEDGMENT

Shareholder Name: _____

Project Address: _____

Project Type / Description: _____

The LOC Development Procedures require a lighting plan or waiver as part of the application. Please select the statement that applies to this project.

Lighting documentation — select one

☐ **LIGHTING PLAN ATTACHED**. The project includes new or modified exterior lighting. A plan showing the proposed fixture locations, type, direction and controls is attached.

☐ **NO NEW OR MODIFIED LIGHTING**. The project does not include new or modified exterior lighting. I request that this acknowledgment be accepted as the lighting-plan waiver for this application, subject to LOC review.

LOC lighting requirements

I acknowledge the lighting standards in the Waterfront Development Guidelines:

- Lighting must be shielded, low-profile, and directed away from the lake.
- Timers and motion sensors should be used where possible.
- Exposed floodlights are prohibited.
- Lighting must preserve the privacy of adjacent properties.

Shareholder acknowledgment

I understand that any proposed lighting is subject to LOC review and that changes to approved plans may require further approval. This acknowledgment does not itself authorize construction or installation.

Shareholder Signature: _____ Date: _____

Submit this completed form with the development application through SmartWebs.
